

Summer Fun at Mosaic Vocational School

July 2018

July 9-13 It's Social Media Week at Mosaic. Explore a variety of topics including: What is bitcoin, getting started with crowdfunding, credit card scams, ransomware, data breaches and online security, authentications, identity theft and keeping yourself safe, the how of targeted advertising. **Summer Special \$99.00**

July 16-20

1:30-3:30 The future is changing. Join us for a week of career exploration in a changing economy. As the "gig" economy gains momentum we need to look at careers differently. This week includes career interest inventories, career research, narrative resumes and cover letters, interviews online and in person, portfolios, LinkedIn and networking skills. **Summer Special \$99.00**

July 23-27 Bookkeeping Basics: From Assets to Liabilities, types of business ownerships, debits and credits and basic reports...this program is a hands-on introduction to the basics. **Summer Special \$99.00**
